Danny.
so a real sweet guy.
we've had our ups
and downs but
we get 'em worked
out. I really love
ya alot and hope
that we are together
forever. This Summer
we gotta party alot
OK. Coo you gotta get
to know me better K.
I'm really glad that
I am going with
you instead of some-
one else, that I

wouldn't be very happy
with. Do me a favor
and stay the same
crazy, sweet, niceass
cute and short HA HA.
Do you want me to
keep on lying or what.
This past sux (just kidding)
months has been a real
bastard if it wasn't for
you I would probably
be down and all out
of it. But you came
one night at the
skating and ask
me to skate But
no one ever came
over to skate so

I didn't get to skate
that much with
you. I am really
glad that I did get
to know you cos
you are one heck
of a sweet guy.
Don't forget we
are going to party
alot K! I can't
think much more
to say except that
I love you alot
and want to
be with you forever.

Sweet hearts >

Dedication

I'm going to miss this old school for a million different reasons. I remember what it was like to be new around here. There were upper-class celebrities who awed me with their style, and lower-class innocents who appeared to stand in awe of mine.

For a while, I wondered how I was ever going to fit into this strange super-sophisticated world . . . but now I wonder what I was so worried about . . . the confidence came . . . and so did the fun!

What an assortment of unforgettable characters I've met here! There were classmates I liked right from the start, and those who took a little getting used to . . . There were teachers I loved, and teachers I survived . . .

Most of all, there were the good friends I made here . . . and all the together times we shared. It won't be easy saying goodbye to this school . . . to these friends . . . but I have so much more to learn about the world and about myself . . . and it's time to get started.

The 1980 Boomer Is Dedicated to the Woodward High School Senior Class.
